

# TRIPLE SUPER PHOSPHATE

**TSP 00-46-00 - Granule fertilize**

---

## Use:

TSP is a concentrated phosphate fertilizer. It can be used directly for soil fertilization or as raw material for blends.

---

## Packaging

- 50kg Big Bags
- 500Kg Big Bags
- 1000kg Big Bags

---

## Characteristics

### Physical Characteristics:

- pH: 3
- Loose density: 1.06
- Packed Density: 1.17
- Physical State: Granule
- Appearance: Gray

### Chemical Characteristics:

- Phosphorus: 46% ( $P_2O_5$ )
